(a) Except as otherwise provided in this section, a school district or area vocational-technical school shall expel, for a period of not less than one year, any student who is determined to have brought onto or is in possession of a weapon on any school property, any school-sponsored activity or any public conveyance providing transportation to a school or school-sponsored activity.

(b) Every school district and area vocational-technical school shall develop a written policy regarding expulsions for possession of a weapon as required under this section. Expulsions shall be conducted pursuant to all applicable regulations.

(c) The superintendent of a school district or an administrative director of an area vocational-technical school may recommend modifications of such expulsion requirements for a student on a case-by-case basis. The superintendent or other chief administrative officer of a school entity shall, in the case of an exceptional student, take all steps necessary to comply with the Individuals with Disabilities Education Act (Public Law 91-230, 20 U.S.C. § 1400 et seq.).

(d) The provisions of this section shall not apply to the following:

(1) a weapon being used as part of a program approved by a school by an individual who is participating in the program; or

(2) a weapon that is unloaded and is possessed by an individual while traversing school property for the purpose of obtaining access to public or private lands used for lawful hunting, if the entry on school premises is authorized by school authorities.

(e) Nothing in this section shall be construed as limiting the authority or duty of a school or area vocational-technical school to make an alternative assignment or provide alternative educational services during the period of expulsion.

(e.1) A school district receiving a student who transfers from a public or private school during a period of expulsion for an act or offense involving a weapon may assign that student to an alternative assignment or provide alternative education services, provided that the assignment may not exceed the period of expulsion.

(f) All school districts and area vocational-technical schools shall report all incidents involving possession of a weapon prohibited by this section as follows:

(1) The school superintendent or chief administrator shall report the discovery of any weapon prohibited by this section to local law enforcement officials.

(2) The school superintendent or chief administrator shall report to the Department of Education all incidents relating to expulsions for possession of a weapon on school grounds, school-sponsored activities or public conveyances providing transportation to a school or school-sponsored activity.
