

STAFF ATTORNEY: JOB OPENING

Pittsburgh, Pennsylvania

The Education Law Center, a statewide nonprofit legal advocacy organization founded in 1975, seeks an experienced attorney for a full-time position in our Pittsburgh office.

The mission of the Education Law Center is to ensure that all children in Pennsylvania have access to a quality public education. ELC employs a broad range of strategies to accomplish this mission including direct legal representation, impact litigation, educating parents and students about their legal rights, supporting community-based groups, and legislative, regulatory, and policy advocacy. Our work focuses on issues of access and equity in public education for students historically underserved by public education, including students of color, students with disabilities, English language learners, students experiencing homelessness, and students involved in the foster care and juvenile justice systems. We work to stop the school-to-prison pipeline, ensure fair and adequate funding for public schools, and make certain that all children have access to the full range of public education opportunities.

The Law Center seeks an exceptionally talented candidate with the following requirements to work in a highly collaborative and supportive office:

- **At least 10 years of legal experience**
- Strong litigation, negotiation and communication skills
- Excellent research, writing and analytical skills
- Ability to work collaboratively with colleagues and community partners

- Prior experience on the staff or board of a nonprofit is a plus
- Admission and good standing in the Pennsylvania bar or eligible for admission by reciprocity
- Minimum two-year commitment is requested

To apply, please submit a **letter of interest** and a **curriculum vitae** by email to hr@elc-pa.org with **“Staff Attorney Applicant”** in the subject line. Applicants will be reviewed on a rolling basis.

The salary is commensurate with experience, and generous benefits are provided. The Education Law Center values a diverse and culturally competent workplace.
