Now Enrolling PHLpreK

The following pre-K providers have been pre-qualified for PHLpreK, the City of Philadelphia's initiative to create affordable, quality pre-K for thousands of 3- and 4-year-olds. To be eligible for PHLpreK, children must have turned 3 by September 1, 2016, and families must reside in Philadelphia.

Call 1-844-PHL-PreK (1-844-745-7735) to apply. Be advised that seat availability is subject to change. While we expect to partner with these programs, the formal contracting process is still underway. As such, families should consider several sites near their home or workplace.

Enrollment is on a first-come, first-served basis. To learn more, visit phlprek.org or call 1-844-PHL-PreK (1-844-745-7735) to start your application process today!
