* The state and the federal revenues account for more than the total expenditure for the district.

** 2008-09 data for Central Valley is a cumulative total of the Center Area and Monaca School Districts. These two districts merged to form Central Valley in 2009.

† The noted districts were reported as having \$0 in federal IDEA revenue in the PA Department of Education report for the year 2008-09. The absence of federal revenue data for these districts understates the 10-year growth in the locally designated share by overstating the local designation in the baseline year.

†† The noted districts were reported as having \$0 in federal IDEA revenue in the PA Department of Education reports for both the year 2008-09 and 2018-19. The absence of federal revenue data for these districts overstates the local contribution in each year.

‡ The noted district was reported as having a negative value for federal IDEA revenue in the PA Department of Education report for the year 2008-09. The negative value for this district understates the 10-year growth in the locally designated share by overstating the local designation in the baseline year.
