## McKinney-Vento Eligibility Screener

Students who lack a permanent, adequate nighttime residence are McKinney-Vento eligible because they are considered to be experiencing homelessness under the law. They need to be recognized and provided with support from the school.

Use these questions to determine if the student is eligible upon enrollment, after each move, and at the beginning of each school year. If so, refer the student to the McKinney-Vento liaison.

### **Determining McKinney-Vento Eligibility**

Does the student have a stable place to stay at night?

Yes      No

Is the student’s current housing permanent?

Yes      No

**If no, refer the student to the McKinney-Vento liaison to be recognized as McKinney-Vento eligible.**

If temporary, is the housing:

- with family friends or others due to losing housing or for financial reasons,
- shelter or emergency housing,
- motel,
- in a campground or public space
- substandard, in a place that isn’t ordinarily used to live in, or has been abandoned

**If any of these apply, the student should be referred to the McKinney-Vento liaison.**

If the housing is permanent, is it adequate?

Yes      No

For example:

- Does the housing have basic necessities like a kitchen and bathroom?

Yes      No

- Is the housing free from Licensing and Inspections (L&I) violations, problems with heating during the winter, or problems with pests or infestations?

Yes      No

If the answer to any of these questions is “no” the student is McKinney-Vento eligible because they lack adequate housing and should be referred to the McKinney-Vento liaison for services and supports. This law may apply even if a family holds a lease, deed or otherwise has a legal right to remain in a property.

### **Unaccompanied Youth Are Also McKinney-Vento Eligible**

Is the student living away from/outside of the physical custody of her parent or guardian in this temporary living situation?

Yes      No

If yes, the student is an “unaccompanied homeless youth” under the McKinney-Vento Act and needs to be recognized as both McKinney-Vento eligible and unaccompanied. The liaison should work with the student directly.

Does the student have special education needs or are they suspected to have special education needs?

Yes            No

If yes, the student should be screened to see if the student has an adult who is able or legally authorized to make education decisions on his/her/their behalf. If there is not a person in the student's life who can serve in the role, the Local Education Agency (LEA) must appoint a permanent Surrogate Parent who has sufficient experience and expertise to make education decisions on the student's behalf within 30 days. Shelter staff, street outreach workers, and housing program workers can serve in this role temporarily until a permanent Surrogate Parent can be appointed.

### **Language Access**

Does the student or caregiver require interpretation and translation services?

Yes            No

If Yes, indicate student's preferred language:
